Guntur ▪ +91-7330724723 ▪ 2100030473cseh@gmail.com

INTRODUCTION

I am a B.Tech graduate with a strong passion for technology and innovation. As a fresher, I am eager to begin my professional journey with an organization that values growth and learning. My objective is to contribute meaningfully to the organization while continuously enhancing my skills and knowledge to align with its goals.

INTERNSHIPS & WORK EXPERIENCE

1. CoderOne

Dec, 2024 – Jan, 2025

UX/UI designer Intern – Team Member

- Conducted user research and developed intuitive design solutions to enhance user experience.
- Collaborated with cross-functional teams to create engaging interfaces aligned with project goals.

2. Salesforce

Nov, 2023 – Feb, 2024

- Developed custom applications in Salesforce to automate repetitive tasks and improve efficiency.
- Gained hands-on experience with Salesforce Admin & Developer roles and implemented security measures.
- Ensured compliance with data protection standards and security protocols.

CERTIFICATIONS

1. AWS Certified Cloud Practitioner

2023 – 2027

2. Salesforce Certified AI Associate

2024 – 2026

PROJECTS

1. Detection & Classification of Pneumonia in Chest X-Ray

2024

- Designed and implemented a robust algorithm to detect and classify pneumonia using chest X-ray images.
- Analyzed large datasets and optimized the model's accuracy through advanced machine learning techniques.
- Conducted thorough testing and validation to ensure the model's reliability and real-world applicability.

2. Online Exam Portal Management

2023

- Development of a Java Full Stack project, using MySQL Workbench 8.0 CE and Eclipse.
- Optimized the exam administration process, achieving reduction in preparation time and increase in user satisfaction.
- Streamlined user workflows and implemented efficient database management to enhance system performance and scalability.
